- 2) File all the documents by mailing them or delivering them to the Clerk of the Bankruptcy Court.

#### **NOTICE TO DEBTOR:**

This agreement gives up the protection of your bankruptcy discharge for this debt.

As a result of this agreement, the creditor may be able to take your property if you do not pay the agreed amounts. The creditor may also act to collect the debt in other ways.

You may rescind (cancel) this agreement at any time before the bankruptcy court enters a discharge order or within 60 days after this agreement is filed with the court, whichever is later, by notifying the creditor that the agreement is canceled.

You are not required to enter into this agreement by law. It is not required by the Bankruptcy Code, by any other law, or by any contract (except another reaffirmation agreement made in accordance with Bankruptcy Code § 524(c)).

You are allowed to pay this debt without signing this agreement. However, if you do not sign this agreement and are later unwilling or unable to pay the full amount, the creditor will not be able to collect from you. The creditor also will not be allowed to take your property to pay the debt unless the creditor has a lien on that property.

If the creditor has a lien on your personal property, you may have a right to redeem the property and eliminate the lien by making a single payment to the creditor equal to the current value of the property, as agreed by the parties or determined by the court.

This agreement is not valid or binding unless it is filed with clerk of the bankruptcy court prior to discharge. If you were not represented by an attorney during the negotiation of this reaffirmation agreement, the agreement cannot be enforced by the creditor unless 1) you have attended a reaffirmation hearing in the bankruptcy court, and 2) the agreement has been approved by the bankruptcy court. (Court approval is not required if this is a consumer debt secured by a mortgage or other lien on your real estate.)
